COMPANY PROFILE

Boresha Africa Limited was founded and incorporated in February 2016. The Company deals with Manufacture and Supply of Cleaning Chemicals and Allied Accessories in conformity with the ISO 9001:2015 certification for quality management systems that aims at providing comprehensive hygiene solutions to institutional as well as individual clients.

The factory office is Located in Canaan Estate along the Eastern Bypass, next to Alpha Business Park where manufacturing, processing and packaging of the Chemicals is done. Other than Nairobi, we have widespread presence in other counties namely Nakuru, Mombasa, Machakos, Meru, Kajiado, Nyeri, Murang'a, Kirinyaga, Kiambu, Marsabit and Kitui among others.

The Company aims at becoming the Leading Supplier of Quality Cleaning Chemicals and Highest Quality Performing Accessories. To achieve this, Boresha Africa Limited acknowledges the importance of having the highest level of commitment to providing the best performing products in the market while not compromising on the quality of its products. The company has a highly motivated team of employees that have the expertise to meet and anticipate customer's expectations at all times.

Our Vision

To be a Recognized and Respected Manufacturer and Supplier of Cleaning Chemicals and Accessories allied to Food Safety, Hospitality and Home Care Hygiene in East Africa.

Our Mission

To play a key role in all segments of the market through production and supply of high-end quality products, raising the standards in food safety, home care hygiene and innovation through continuous improvement that effectively compliments every hygiene consumer need.
